Who is behind the Virtual Grampians Holiday?

The Virtual Grampians Holiday is an initiative by Josephina McDonald, owner at Halls Gap Lakeside Tourist Park. The generous gesture of a guest who instead of asking for a refund, when her holiday could no longer go ahead due to the COVID 19 restrictions, paid her planned holiday to Lakeside in full and decided to have a virtual holiday instead. This inspired Josephina to create a game allowing anybody to enjoy a virtual holiday to the Grampians from the comforts of their home. Josephina had already launched Grampians Treasure Hunts a year earlier. With some tweaking and adjustments to the app she was able to create this fun game!

What is GTH?

Grampians Treasure Hunts is an app developed by Josephina McDonald, guiding visitors to the Grampians through the region in a fun and educational way. Due to COVID19, the closure of the Grampians National Park and many businesses, Josephina decided to adjust the app and develop a Virtual Grampians Holiday for everybody to enjoy. GTH is the app where you will find the Virtual Grampians Holiday ready to download and play. As soon as restrictions are lifted, GTH will reinstate their usual hunts!

What are the terms of the use of the app GTH?

Terms of use can be found here:

How does it work?

On the website www.hallsgaplakeside/virtual-grampains-holiday we have made a step by step instruction on how to play the game.
